Dear Cerritos Elementary Families,

On behalf of the Board for the Cerritos Elementary Educational Foundation (CEEF), I would like to take this moment to thank you for your continued support during the 2023-24 school year. It has been through your generous financial support that our organization has been able to provide funding for the following programs and activities:

- \$24,000 towards rotation instructor salaries.
- \$4000 (our share of cost with PTA) towards BrainPop and MobyMax classroom software applications.
- \$2000 towards 6th grade Knotts Berry Farm trip; \$700 promotion ceremony.

We began our school year in September by bringing our community together at our CEEF-sponsored Annual Fall Pancake Breakfast. Our Spring Fundraiser collected \$19k to support the enrichment programs for all students at Cerritos Elementary. CEEF subsidized the cost of our food booths at our annual Flavors of Cerritos Multicultural event where we concluded the year celebrating our community and enjoying each other's company one last time as a whole school. We want to give a special thank-you to all the people who volunteered their time and resources to host a food booth for our most popular event of the year! The Foundation takes much pride in sponsoring these events for our school and local community while raising additional funds for our enrichment programs.

We are also happy to announce our Foundation Board of Directors for the 2024-2025 school year:

President - Cathy Cheng
Chairman of the Board - Sheree Vasquez
Vice President - Pinyu Fan
Advisor - Debbie Tung
Treasurers - Jill Chen and Jennifer Yeh
Recording Secretary - Harpreet "Rosie" Arora
Corresponding Secretary - Angela Cho

On behalf of our current board, I would like to issue a warm welcome to these new volunteer parents and thank them for their commitment to our school. Have a wonderful summer!

Best Regards,

Sheree Vasquez (President, '23-'24 school year)
